Scientific GOD Revealed: The Principle of Existence

I've dreamed a quantum dream in which I became one with the Almighty: IT revealed to me that IT alone is the Architect, Creator of all that exists; IT creates, sustains all things by ITS imagination, the spin of ITS mind, body; IT causes evolutions of the same by ITS mighty will, love of ITS creations; GOD's scientific Truth is ready to march on.

Glory to Scientific GOD; Victory to Scientific GOD; GOD's scientific Truth is ready to march on

The Chinese Dream of the 21st Century

In the spirit of ancient Chinese wisdom and the collective spirits of Chinese sages and pioneers, Laozi, Kong Fuzi, Sun Zhongshan, Mao Zedong & Deng Xiaoping among others, we call all Chinese worldwide to rise up in the pursuit of the Chinese Dream of the 21st Century – benevolence, civic duty, equality, liberty and pursuit of happiness under Scientific GOD. We note here that some aspects of these sacred pursuits might be hindered by our particular history, modern atheism and materialism. Thus, a new enlightenment of all Chinese is the key to accomplish these sacred pursuits and transform Chinese societies. By enlightening and transcending ourselves, we shall transform atheism and materialism to scientific spirituality, corruption to righteousness, injustice to justice, inequality to equality and restriction to liberty. GOD Bless Chinese People! May we all finally arrive at the “Gate of Heavenly Peace and Justice” and start building GOD's Paradise on Earth. So, let July 4th Movement begin!
